### All Projects

|                 |                |             |
|-----------------|----------------|-------------|
| Project 1       | Client: XYZ AG | Add Project |
| Sub-Project 1.1 |                | Delete      |
| Sub-Project 1.2 |                | Delete      |
| New Sub-Project |                | Save        |
| Project 2       | Client: ABC AG | Delete      |
| Sub-Project 2.1 |                | Delete      |

### All Clients

|          |            |
|----------|------------|
| Client 1 | Add Client |
| Client 2 | Delete     |
| Client 3 | Delete     |
|          | Delete     |

\* Clicking **Add Sub-Project**

adds a new line

works the same way for a new project.
